

Terms and conditions:

Signature Care Club Memberships are non-transferable. A separate Care Club Plan Agreement will need to be purchased for each individual property that a customer owns. This agreement cannot be transferred to a different property location and all scheduled visits must be used at the property indicated in this contract.

Our Signature Care Club Plan is active immediately upon purchase and with the signed agreement. The membership is valid for 1 year (or 365 days) from the start date.

Your plan entitles you to a complete annual Fall kitchen and laundry inspection, discounts on all repairs, a \$75 service call fee, and priority service. The inspection does not roll over from year to year and are auto renews each year. It is the responsibility of the customer to schedule the fall inspections. If the inspection is not redeemed before the contract has expired, it will be void and the customer will not receive the inspection outside of the contract period or a refund.

If an automatic draft plan was selected, 1 debit/credit card or bank account will have authorization to collect the draft from that card or account. This payment method is to remain the only form of payment throughout the duration of the contract. If the contract is to be terminated before the 1 year (or 365 day) duration, Signature Appliance requires written confirmation of termination of the Signature Care Club Agreement. This includes the Customer's full name and the address of the property in order to terminate the agreement.

If there is ever an instance of insufficient funds as it relates to your automated draft, there will be an additional \$15 return payment fee charged to your account in each instance.

The cancellation procedure for customers on the Signature Care Club Plan is as follows: Your plan year is 1 year (or 365 days) from the date of your initial sign-up or renewal. In the event that you need to cancel your membership before the 1 year (or 365 days), you will be responsible for paying a \$50 cancellation fee for each unit, along with paying back any back-charges associated with any discounts given as a benefit to being an active member. These charges will be automatically drafted from the customer's account upon cancellation.

Please send all correspondence to: 4002 Industry Drive, Chattanooga, TN 37416.
